NETWORK AGREEMENT

The Global Air Cargo Alliance members maintain a professional working relationship amongst each other by adhering to the Network Ethics and Guide.

- To pay all monies due to members in a timely manner (the network recommends 30 days upon invoice date, unless otherwise agreed upon). The network suggests to formalize credit amongst agents prior to any shipments in form of writing.
 - To be active in sales endeavors for mutual growth
 - To attend annual conferences of the alliance to ensure activeness of members within the organization
 - To respect other members' existing customer bases and refrain from back selling
 - To reflect the true cost of all rates quoted from member of Global Air Cargo Alliance to fellow Member for common markup and profit sharing, should the cost change (even during shipment) Global Air Cargo Alliance agent partner/s must update accordingly. Overcharging is considered unethical within network
 - and Global Air Cargo Alliance reserves the right to expel members with unethical practices.
 - To provide bona fide sales leads when possible
 - To be properly staffed for the highest level of service
 - To operate in accordance with all stated shipping advice
 - To promptly respond to all communications (standard: within 24 hours)
 - To quote rates in full detail in a timely manner
 - To share freight profits 50/50, unless otherwise agreed upon in writing
- To seek the help of Global Air Cargo Alliance administration for dispute resolution.

PAYMENT PROTECTION GUIDE & NETWORK AGREEMENT

The live payment monitoring system allows our The Global Air cargo Alliance Secretariat to capture any late-payment incidences and inform the network of any irregularities. All members are sent a monthly PDF of the Network Security Agency list, which highlights the updated status of every member. By having this system in place we are able to vastly reduce the network's exposure to wrong intended forwarders and keep our striving community of forwarders going.

The Global Air cargo Alliance Security Fund is governed by the following guidelines:

1. Prior to transacting with The Global Air cargo Alliance members, please verify from the network agency list that your partner is in good standing.
2. Send pre-alerts (HAWB, MAWB, and Billing) within 14 days of shipment.
3. Agent to submit a statement of account (AR/AP) within the first 10 days of each month.
4. Members must be updated with membership payables.
5. The agent must pass the screening process of The Global Air cargo Alliance.
6. Agents must file a late-payment-report within 45 days of the transaction.
7. Only members of Global Air Cargo Alliance are eligible for security claims. Expired member status is not entitled to submit claims to members of Global Air Cargo Alliance.
8. Global Air Cargo Alliance security blanket covers for invoices within a maximum of 45 days before the claim date. Global Air Cargo Alliance does not provide coverage for shipments with payment terms of more than 30 days.
9. Dispute protection is covered up to a maximum amount of USD 5000/ per member, with a self participation of 10% claimed amount, after your third year in the network. Charges that have not been mutually agreed to prior to any shipment are excluded from the payment security.
10. Any single transaction/invoice beyond USD10,000 is not eligible to claim.
11. Security coverage is only granted to members that have attended the latest conferences. Global Air Cargo Alliance reserves the right to refuse any claims from members who have not attended the last conference.
12. Only invoices relating to the offices/cities that are registered will be eligible to participate in this fund i.e. if a company only registers its Hong Kong office, but has several other offices in China, only invoices covering freight originating from/destined to their Hong Kong office will be considered as eligible.
13. Global Air Cargo Alliance does not cover for disputes caused by service errors.
14. Global Air Cargo Alliance only covers for freight charges.
15. Global Air Cargo Alliance reserves the right to update the above terms at any time.
16. For payment issues that have been resolved, the payee will undergo a 60-day probationary period, for the purpose of payment monitoring. Global Air cargo Alliance Management has the right to downgrade payment status of members with payment issues. This is to ensure that the entire Global Air Cargo Alliance is kept safe.
17. 50% payment protection coverage is given to a member, if the member is a part of another network.
18. We will not provide any payment coverage if both parties (claiming agent and other party) involved are both members of same network that are outside RW Networks.
19. Global Air cargo Alliance is not in charge of collecting/ collection assistance, it is solely the responsibility of the agent.
20. Global Air cargo Alliance does not recommend to provide more credit than the security coverage provided and that any amount beyond is at their own risk.
21. Lost Pre-alerts: It is important to always check if your agent has received your pre-alert, therefore please ask receiving party to acknowledge receipt of your pre-alert. If you have not received an acknowledgement email prior to arrival of shipment, please call your agent to do so. Claims associated with shipments with no timely acknowledgement of the shipment prior to arrival of shipment are invalid.
22. Claims do not cover for demurrage, detention, storage charges, or costs associated to abandoned shipments.
